May 2025

Celebration

On June 8th Clear Creek Ministries will be celebrating Pentecost by participating in the *Baptize America* movement.

Baptize America is a revival moving across the country with thousands being saved and baptized. We are inviting church groups, families, and individuals to use the lake on

this day to share salvation and to baptize those wanting to participate in this life-transforming experience.

Our mission here at CCM is *to create an environment where individuals can encounter the love and grace of God and be transformed by His power.*

Visit our website for more details.

Be Encouraged

Are you discouraged that you see no change in circumstances?

Do you wonder if your efforts are wasted or you missed His leading?

Jennette and I want to encourage you. Your prayers are heard. There is authority and power in your words.

In obeying the will of your Father, no seed planted or water poured out is wasted. Your efforts will bear fruit.

Do not grow weary, at the right time you will reap a harvest if you do not give up.

Galatians 6:9

You will see the goodness of the Lord in the land of the living

Psalms 27:13

Stand firm! Let nothing move you! Always give yourselves fully to the work of the Lord because you know that your labor in the Lord is not in vain.

1 Corinthians 15:58

Projects

Building projects are still in progress at CCM. We are in need of permanent lighting, a large door for the loading dock, in-ground wiring to the sound booth, and a floor coating for the stage.

Join us in building a place for lives to be transformed by the grace of our heavenly Father.

Baptize America

We invite you to come.

Prepare your heart and consider consecrating your life to Jesus.

Much has taken place in our country and world in the past few years. In the near future we are anticipating a wonderful expression of our heavenly Father's love.
