Sheep

Jesus said, "I have other sheep which are not of this fold; I must bring them also, and they shall hear my voice, and become one flock with one shepherd," John 10:16.

There you have it: what Jesus said about us. People or sheep, or both?

Here on the farm, we had sheep continuously from 1947 to 2009. I grew up with sheep and so did my children. The stories we can tell would fill a book, but the truth is,

they did know my voice and I could lead them. It was quite difficult to drive them.

Jesus said "hear," and that means present tense. In these verses, He did not say, "Read about me." He said, "Hear my voice."

The Bible also talks about a still small voice inside us. That is Jesus, now, alive, and talking to us.

Can you hear Him? Do you hear Him?

Taking Time to Fellowship

Updates

This past month, a pastor from a local church baptized four people in the lake. The event was a beautiful experience as we joined in celebrating Baptize America on Pentecost Sunday.

We also had a group called Taste of Heaven begin meeting here at Clear Creek Event Center. All ages are welcome to come for fellowship, food, fun, prayer, and worship.

Individuals leading the group, Taste of Heaven, invite you to come to this event. The next event is scheduled for August 16.

In other news, we landscaped around the cross and it has become the focal point for photography. We welcome your donations for a freight door, electrical conduit, paint, and particle

board to finish the stage and sound booth. We also need sand for the baptism entrance to the lake. We invite you to visit or to lend a hand to help finish current projects.
