

Progress!

Plans are being made, and progress is being made on the stage flooring and lighting, as well as a changing room for the baptismal area.

A heavy steel bumper will be installed to protect the stage dock. Thank the Lord for the free steel and donated freight door!

Pray for the plans to form a production team and the possible donation of a shelter house.

We are planning for landscaping and parking. Please pray for the funds to complete these plans.

We are so thankful for your donations and ongoing support in what the Lord is doing here at Clear Creek. God Bless you! You have made so much possible. We cannot do it without you.

Completing the stage floor with another layer of plywood

In the Meantime

People often ask, “Does the center have any events scheduled?” Though there are no large events on the calendar right now, people of all ages continue to come here to get baptized.

We have seen people connect to local churches and have their lives touched by Jesus.

Clear Creek Ministries was founded in 2023 with a vision to create a well-structured outdoor event center to host a variety of outdoor gatherings. Once the stage and lighting projects are finished, we will be ready for music concerts.

Right now, we are in the meantime. This is the space between building and hosting. It can feel like a long stretch, and we are anxious for expected events.

However, we have learned how unfruitful it can be to force things.

Second Peter 3:9 shows us that God’s timing is driven by His patience and mercy. We are constantly reminded to be diligent while balancing hard work with complete trust in His provision.

Psalms 127:1 reminds us, “Unless the Lord builds the house, its builders labor in vain.”

Jennette

Lord, we thank You and give You all the glory for all You have done and will continue to do through Clear Creek Ministries. We thank You for Your provision and for all those whom You have already touched through Clear Creek. We eagerly anticipate Your glory being revealed at Clear Creek and many more lives being transformed by You.

Prayer

As we continue to build with the Lord here at Clear Creek, we are continually reminded of the importance of prayer. We walk in obedience, but ultimately, the Lord is the One who brings forth fruit in His timing. We are grateful for your diligence in praying for what the Lord has done at Clear Creek over the past few years and what He will do in the future.
