

A Great Year

What an amazing year at Clear Creek Ministries. God has provided so much through people like you! Thank you, Jesus, for the infrastructure built and the lives impacted.

The \$35,000.00 matching fund has been met. A big thank you to all who gave.

This past year, a nice sand beach was built for baptizing, and a large tank for chilly-weather baptisms was purchased. A soundboard was purchased. Three water hydrants for vendors were installed. Two new fire pits were given. A nice golf cart was donated to help transport people during events.

A secure, climate-controlled sound equipment room at the back of the stage was completed. Thank you to those who finished this room. Three certified electricians volunteered to wire the stage. They worked for two weeks and did an impressive, first-class job.

The greatest blessing was to see and meet the more than 30 people who came in 2025 to make new commitments to Jesus and be baptized. God is using CCM to connect people to Himself. He will continue to break chains and heal the broken-hearted.

Clear Creek Ministries

Anticipation

We look forward to seeing what Jesus will do in 2026.

Many more people will come, and many lives will be changed here on the farm at

Clear Creek. You are welcome to visit to see the progress made.

"But if we hope for what we do not see, we eagerly wait for it with perseverance."

Romans 8:25

Remember To Love

In the book of Revelation, God said to one of the churches, "I know what you do; how hard you work...You have patience and suffer troubles, but have not given up" (ref. Revelation 2:2-4).

He commended those things, but then He reminded the church to remember to love. That is what struck me.

Many times, my focus is on the task at hand. I can see people as an interruption and miss the opportunity to connect. To listen to what the Holy Spirit is revealing. To remember that my focus is to love people.

At CCM, we do the work of building, hosting, and administration. However, the important work is connecting people with Jesus through love.

This may look like praying for a need one day and feeding lunch to hungry volunteers the next.

At a recent baptism, one of our board members stepped into the role of translator for someone who could not speak English. It was a joy to see how this act of love touched the family's hearts.

As we continue to see people encouraged in their relationship with the Lord, I am confident that God will continue to use CCM to touch many more lives.

Completion of the event center seems slow, but we trust God with the timing. We want to honor the Father with work well done, but more importantly, we want to love like Jesus.
