God's Signposts

This past month we built a new foundation to set the outdoor stage on. We also hosted the first Youth Praise and Worship event on July 7th. After the event I realized we had followed the example set in Ezra 3:10-11.

In Ezra, the people had returned to Jerusalem from captivity to begin rebuilding the temple. After laying the foundation of the second temple,

the people came together to praise and worship God, and the only thing they had was the foundation! All we have at Clear Creek Ministries is the foundation, and on the seventh day of the seventh month we had a praise and worship event. (In Hebrew, the number 7 means completeness or wholeness.)

Thank you, Lord for the way you give us sign posts along the way.

Perspective

Felix on the Roof

Felix understood. If he could get onto the roof, he would have a better view. A tree might offer similar heights, but on the roof the leaves and branches did not hinder his field of vision.

Felix reminds us that often what we see depends on where we stand, how we position ourselves, and our association with respect to others.

May we be reminded to regard our perspective in relation to our Father God and His perspective.

Delight

Jennette Yoder

Dark chocolate, a good cup of coffee, our grandkids' laughter. Abundant crops after a summer of bountiful rain. The beauty of a freshly mowed lawn. Glimpses of

the Northern Lights right here in Missouri. The tiredness that comes after a day of challenging work with satisfactory results. Times with our family all gathered to eat and re-connect. Knowing my children have learned whose they truly are. These are just some of the things that delight me.

Psalms 37 reads, "Delight yourself in the Lord and He will give you the desires of your heart." That is my experience. On the other hand, in Zephaniah 3:17 it is the "Lord among you a mighty Savior; He will

take delight or rejoice over you with joy...." What a big idea to wrap my head around that He, the mighty God, takes delight in us! Delight: to gain great pleasure, satisfaction, and happiness. To be soft and tender.

That is just like me with my children and grandchildren, (and now "greats"). Those relationships make it easier to see how God's delight is a "two-way" street. I delight, He delights, we delight. Sounds like an English lesson. How delightful!
