Going Forward

Ezekiel lived in troubling times of social unrest, and it seems we do too. Or are they exciting times? Where there is much darkness there is also much light.

The Holy Spirit is moving in power. Over 3,000 people were baptized in one event in Texas. All around the world, Charle Kirk's untimely death has brought in a huge harvest of souls.

The Kingdom of God, Jesus, and the Holy Spirit are advancing

in our country and in the world. You can and should be a part of this great movement.

This past month at CCM, the Mission Church baptized about ten people. What is your part? Do you know your part? It is time for action!

For we wrestle not against flesh and blood, Ephesians 6:12. To work for Jesus will be the hardest, most expensive thing you will ever do! It is also the most rewarding in this life and in the next life to come.

Here's Your Sign

Jennette Yoder

I often ask the Father to help me hear what He hears, speak with His voice, and see what He sees. I still miss opportunities to do just that.

I have looked back on the day and realized that while in my "get it done" mode, I have overlooked the sign that pinpointed to an important moment. Just a small opportunity to listen and encourage someone who walked through my door. A moment to give praise rather than complain. A moment when God wanted to talk to me, and I needed to listen.

A note on my fridge has part of a quote from Bill Johnson, "steward the moment." It is a reminder to pay attention and use wisely and carefully the time I have with a person. It is time to shift my focus and listen to the

Holy Spirit. When I make that shift, the Holy Spirit speaks to me and to the person who needs encouragement.

I can become a sign that points to Him. James 1:19 says, *...be quick to listen, slow to speak and slow to get angry....*

Last week a neighbor saw the signs posted for baptism at CCM. She stopped at the house to see if it was too late for her and her family to get baptized. The pastor had left, but a connection was made, and plans are being made for them to be baptized. She saw the signs, recognized an opportunity, and responded. How cool is that?
