

Happenings

This month has been one of action and changes. Not all months are that way. Sometimes it feels like nothing is ever going to happen, and then bang, change happens so fast it is exciting.

Here are some of the things that have happened.

Twenty-five people have been baptized this month. Thank you, Lord Jesus. A donation of \$4,500 allowed us to complete the purchase of a soundboard and sound equipment, and we are grateful. A gift of a \$650 was paid for a muck mat that covers a 12 X 24-foot

area in the lake for baptisms. Again, we are grateful. No more mud.

If you would like to help in creating positive changes at Clear Creek Ministries, these are some of the things we need. We need a building to use as a changing room for those baptized, a large steel tank, and a heater for baptizing when the lake water is too cold. We need PVC conduit to finish wiring the sound booth. And we need a carpenter, an electrician, and a plumber.

Let us know if you are willing to help. God bless you for considering these needs.

Divine Gifts

In Exodus 35:31, God equipped Bezalel with wisdom, understanding, knowledge, and the skill for all manner of craftsmanship needed to build the tabernacle. In other words, God gave Bezalel the divine ability to do what He called Bezalel to do.

We are believing for the same anointing of Bezalel for what needs to be done at Clear Creek Ministries.

The stage and sound booth were built by men gifted with skills

for design, construction, and music. People continue to give their time and money with a passion for what the Lord is doing through CCM.

A plug-and-play system is almost complete. Donors have given two new fire rings and an outside propane heater.

These gifts are holy and set apart for a special purpose, which is an important part of touching lives for the Father.

Grateful

Although the facilities at Clear Creek Ministries are not complete, groups are starting to come. We are thankful for what has been done.

EPIC—impressive, remarkable, grand in scale or character—is the theme that has been given for 2026. For much we are grateful.

Baptisms

Those who have come for baptisms, fellowship, fun, and worship are experiencing the presence of the Lord in this beautiful place.

A young couple who were married here came back on their first wedding anniversary to be baptized in the lake. A ten-year-old boy was baptized.

A young woman brought three young ladies she had been witnessing to. The young ladies accepted Jesus as their Savior and wanted to be baptized. The young woman baptized them, and afterward she prayed with them to be filled with the Holy Spirit.
